Pensacola, FL

website: [keel.me](http://keel.me)

## **CAREER SUMMARY**

Creative and detail-oriented professional with a strong background in freelance video editing, specializing in storytelling through visual content. My hands-on experience with editing software and production tools sparked a passion for technology, leading me to expand into IT and Cybersecurity. Skilled in video production, technical troubleshooting, and system management. Pensacola State College alumnus and current Bachelor's degree candidate in Cybersecurity at the University of West Florida, committed to continuous growth in both creative and technical fields.

## **AREAS OF EXPERTISE**

### **Video Production:**

Video Editing | Camera Operation | Post-Production | Livestream Operation
